The KS Series of safes meet both IATA Travel and Pharmacy Guild specifications for secure storage of documents and medications. The Guardall KS Series of safes are made to give a high level of resistance against professional attack.

High security features include:

- High quality commercial UL listed digital keypad and lock
- Six lever pick resistant Mauier key lock
- Dual secondary re-locking mechanism in case of tampering
- 12mm Solid steel door
- 32mm Solid steel boltwork
- Heat treated hard plate covering locks
- Fire resistant for 1 hour

All Guardall KS Safes come with adjustable shelving, bolt down facility and durable hammer tone polyurethane exterior paint finish. Time delay and dual user locks are optional. The recommended insurable cash rating, in an unsupported situation, is \$50000.
